

# The Paradise Story

---

**Paradise**, the word conjures images of sandy beaches outlined by swaying palm trees and the sun setting over the ocean. Paradise is also the name of Sydney's premier Greek band. Thousands of performances in the last 30 years since these musicians have been together are testament to their versatility and modern sound.

Our motto is "you are the stars of the show & we love to watch you shine". At a Paradise Band event you can relax, dance & even sing along if you like, it's all about you & all about having a great time.

Our talented front line singers Steven Flevaras & Irene Vacondios
